MEMORANDUM FOR THE RECORD

Dick Bissell telephoned this morning. He will testify before the SSC in the afternoon of Monday, 9 June.

He plans to come to Langley about 9:15 Monday morning to talk to Hank and/or me and to review the 1967 Inspector General report.

He has been interviewed by Burt Wides who gave Dick a chronology developed from the SSC staff study of the IG report and Justice files. Dick will give us a copy.

Dick is seeing Bill Miller for a couple of hours Monday and again on Tuesday. Dick wants some background on the Director's testimony.
